

The Editorial Cartoons of J. N. "Ding" Darling, 1912-1962

This collection of over 6,800 political cartoons on CD-ROM chronicles the trends, thoughts, and politics of the United States in the first half of the 20th century. To view Ding's cartoons is to experience history in real time and to gain perspective on today's problems. Education, economics, conservation, human nature, war and peace—Ding covered them all, drawing through two World Wars and the terms of seven Presidents. His cartoons were syndicated in over 100 leading newspapers and periodicals and earned him two Pulitzer Prizes. This database of high-resolution editorial cartoons is designed for use on the Windows Operating System. The cartoons are indexed for easy key-word retrieval based on date, subject, people, places, events, and several additional fields.
